Re: Cadavid et al v. Que Chevere Les LLC et al.
23-cv-08673-GHW

Your Honor:

This office represents the Plaintiffs in the above referenced matter. I write to respectfully request a brief extension of the February 21, 2024 deadline to file for leave to amend complaint or request default.

After careful review of the potential clients' claims against Defendants, our office has decided to represent two additional Plaintiffs. Therefore, we intend to file a motion to amend the complaint and respectfully request an additional two weeks to finalize the application.

The Plaintiffs thank the court for their attention to this matter.

Respectfully Submitted,

/s/ Mary Bianco
Mary Bianco, Esq.

Application granted. Plaintiffs' application for an extension of time to either (1) seek leave to amend the complaint or (2) apply for an order to show cause for why default judgment should not be entered, Dkt. No. 20, is granted. The deadline for Plaintiffs to move for leave to amend the complaint is extended to March 6, 2024. If no leave to amend is sought, the Court expects Plaintiffs to file a request for an order to show cause for default judgment (after obtaining the entry of default, as needed), in accordance with the Court's Individual Rules of Practice in Civil Cases by March 6, 2024. The Court directs Plaintiffs to comply in the future with the Court's Individual Rule 1(E), which requires requests for extensions of time to be made at least two business days prior to the original due date. The Clerk of Court is directed to terminate the motion pending at Dkt. No. 20.

SO ORDERED.
